

**youth mission trip to Alaska**

The team has arrived and appreciates your continuing prayer throughout their time on mission in Alaska. They return Wednesday/Thursday August 17-18. Some of the things they will be doing on this mission include construction and helping to launch a new youth group for a church where this ministry has not yet existed. Please pray for them throughout the week.

**laborer orientation**

Our next laborer orientation is scheduled for August 19-20. The purpose of the laborer orientation is to bring together new laborers and current volunteers and unite behind the larger picture of fulfilling the Great Commission. If you're interested in getting involved at Eastridge, this is a great place to start! If you have not yet signed up for an orientation, we'd love to have you and you can sign up at the Info Table. If you have not yet signed up to volunteer/labor in the Eastridge community, we'd love to have you join us for that too! Laborer forms can be found in the seat back in front of you or at the info table. Please drop completed forms at the Info Table or offering box in the back of the auditorium.
